

SCENO-BLACK-SOUND

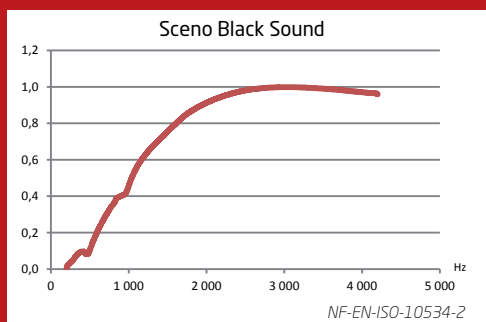

SCENO-BLACK-SOUND

It's privacy and silence

SCENO-BLACK-SOUND has been especially developed to wall covering for movie theaters, home cinemas, recording studios, TV studios,...

It will respond your expectations about visual comfort. Thanks to its construction, it has a beautiful matt dark black textile appearance without reflections. Moreover, its sound coating will allow to absorb all sound reverberations, so it will bring you a very good acoustic comfort.

SCENO-BLACK-SOUND arises very easily on your walls and partitions. You need to keep a 20mm plenum (space between the wall and the textile) in order to have the best rendering.

CHARACTERISTICS ET PERFORMANCES

Base cloth	100% Polyester
Coating	Polyurethane
Width	300 mm 118" / 5100 mm 200"
Weight	216 gr/sqm
Thickness	0,76 mm
Fire classification	NF P/92-503 M1 DIN 4102-1- B1
Tensile strenght	Warp/Weft : 29,74 daN / 73,32 daN
Resistance to tear propagation	Warp/Weft : 1168 Nm / no (pendulum tester 1600 g)
Phonic factor <i>NF-EN-ISO-354</i>	Alpha w=0,35
