

# SCENO-LIGHT

## SCENO-LIGHT

### It's the featherweight blackout

This is the first blackout textile of 135 gr / m<sup>2</sup> on the market, it is permanent fire retardant M1, water repellent, and can be used on both sides, one coated matt black the other woven black.

SCENO-LIGHT by its weight is much easier to use than conventional products, and requires very little space for storage. It is also by the quality of its base fabric, and its construction highly tear resistant.

Applications for SCENO-LIGHT are multiple; it can be used as a backdrop, as a lining for dimming, but also directly to clothe partitions.

### CHARACTERISTICS ET PERFORMANCES

Base cloth	100% Polyester
Coating	Acrylic
Width	3050 mm 120" / 5100 mm 200"
Weight	135g/sqm
