

SCENO-LIGHT REMOVE

SCENO-LIGHT-REMOVE

It is day or night

This is the first repositionable blackout on the market, it is the combination between SCENO-LIGHT the lightweight blackout fabric, and a repositionable adhesive.

SCENO-LIGHT-REMOVE does not need large structures or tools, it is stuck directly onto windows and in the blink of an eye you can darken your space.

SCENO-LIGHT-REMOVE can be removed easily and leaves no traces on surfaces.

SCENO-LIGHT-REMOVE can also be used as a decorative element by allowing you to play with light.
