

SCENO-NUIT

SCENO-NUIT

It's to shade the light

This is an obscuring white double-sided textile, one side flocked that does not reflect the light, the other textile warp and weft that can be transfer printed. This is the ideal product for decoration, it has a great drop, allowing use in curtains, but can also be stretched or glued on to walls or partitions, providing an agreeable

The flocked side of SCENO NUIT is perfect in studios or when shooting pictures as light flashes and spot-lights are not reflected.

SCENO-NUIT when stretched onto walls or partitions perfectly masks dirt, stains graffiti and other imperfections.

SCENO-NUIT from a minimum volume of 500 ml can be dyed to the color of your choice, to meet all your needs.
